

## REMARKS

### A. Response to Restriction Requirement Without Traverse

A Restriction Requirement was mailed July 11, 2007 in the above case, subjecting 1-39 to restriction and requiring election of a single disclosed species by specifying the particular compound variables and by electing a single cancer.

The species having the formula recited in claims 4, 29 and 37 is elected.  
Claims 1-3 and 33 are generic.

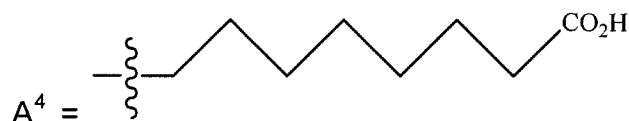

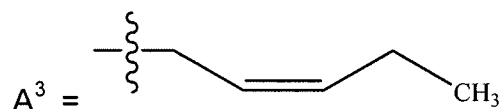

In claim 1, the variables which encompass the elected specie are:

In claim 2, the variables which encompass the elected specie are

In claim 3, the variables which encompass the elected specie are

In claim 33, the variables which encompass the elected specie are

The single disease species is human breast ductal adenocarcinoma.

B. Interview Summary

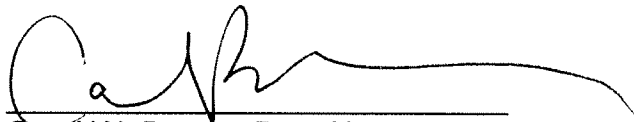

The Examiner discussed the Restriction Requirement on July 20, 2007, with a patent specialist, Kristi Swenson, from the office of the undersigned. The Examiner clarified the elections required.

C. Petition for 3-Month Extension

Applicant hereby petitions for a 3-month extension, extending the due date for response from August 11, 2007, to November 13, 2007 (November 11, 2007 being a Saturday and November 12, 2007 being a federal holiday). Please charge Deposit Account No. 50-1123 the 3-month extension fee and any other fees deemed associated with this filing.

Respectfully submitted,

November 13, 2007
